Oral Health Training

2018

FREE

Children and Young People's Workforce

The purpose of the training is to equip your staff with updated oral health messages to share with your colleagues, service users, family and children.

A nominated champion from your team will attend training, who can then share what they have learnt at the session with other people.

Key topics which will be discussed include:

- ◆ Key oral health messages
- ◆ Diet
- ◆ Effective tooth brushing
- ◆ Update knowledge of the Diseases in the mouth
- ◆ Visiting the dentist
- ◆ Access to fluoride varnish for children
- ◆ Maintaining children's oral health

Student/trainee health care professionals are also welcome to attend.
