

## Investors in Pupils Conference

Friday 22nd November 2013, 8.45am – 12.00pm  
Pudsey Civic Hall, Leeds

### Investors in Pupils

Pupils from **Methley and Westgate Primary Schools**, Leeds and **Buttershaw Business & Enterprise College**, Bradford presented their learning about how pupil voice had made a difference in their schools to delegates at the Investors in Pupils programme. Pupils answered questions from headteachers, senior leaders and teaching staff from schools from across the country including from Redcar & Cleveland, Nottinghamshire, Luton and Wales. The programme of the day for the conference was co-delivered by adults and children from schools, including a welcome from the Leeds Children's Mayor.

Information written and presented from schools was the most successful aspect of the day with 91% of delegates rating their presentations as very good and excellent. Comments from delegates included:

Some great ideas, pupils were a credit to their school."

"Most useful part of the day [school presentations]."

"Great to see how schools are doing it first-hand."
